Weiran Xu - Week 2 Report

Weiran Xu, 1454343

1. Tasks Completed This Week

- Collaborated with Benyuan to research the testing scope, relevant technologies, and documentation standards. (3 hours) link
- Participated in team meeting this week, taking an active role in testing-related assignments. (2 hours)
- Discussed with Benyuan the testing technology stack and methodologies to be adopted for the project. (2 hours)

2. Key Challenges Encountered

- I went back to China to fix my teeth. Therefore, it's a bit hard for me to communicate with Benyuan.

3. Plans for Next Week

- Continue contributing to the development of the testing plan.
- Design and document functional test cases for the current system features.
