Week 6 Report

Yanqing Shi 1511676

Tasks Completed

- Completed the Hi-Fi prototype design of the Marking function in Figma.
- Completed part of the Hi-Fi prototype design of the Booking function. (Still in draft stage, hopefully complete it within 5 days)
- Completed the individual presentation.

Issues Encountered

- Need to decide how to design the calendar section for the Booking page. Suggested to use some common calendar pages as samples. (Solving)

Plan for Next Week

- Complete all the Hi-Fi prototype designs of the Booking functions.
