Weekly Report - Week 3

Name: Tianyun Lei
Date: August 17, 2025

Tasks Completed This Week

- **GitHub link:** https://github.com/SWEN90017-2025-SM1/OAS-web-based-oral-assessments/blob/frontend-add-upload-examinor/frontend/components/admin/assignments/AssignmentCreationModal.jsx
- Connected **Assignment Creation UI** with backend API for assignment creation and CSV upload (2 hours)
- Made some **UI adjustments** for form validation, modal styling, and dark mode consistency (3 hours)

Key Issues Encountered

- Minor validation errors and UI consistency issues, resolved during integration

Plan for Next Week

- Continue **rubric configuration** UI development
- Refine backend integration
